**UNPUBLISHED DECISION<sup>1</sup>**

On \_\_\_\_\_, \_\_\_\_\_, the parties filed a joint stipulation concerning the petition for compensation filed by \_\_\_\_\_<sup>2</sup> on \_\_\_\_\_. Petitioner alleged that the meningococcal vaccine he received on or about \_\_\_\_\_, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a), caused him to suffer autoimmune neuroretinitis and / or optic neuritis. Petitioner further alleges that he suffered the residual effects of this injury for more than six months. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

Pursuant to Vaccine Rule 18(b), the parties have 14 days to file a motion proposing redaction of medical information or other information described in 42 U.S.C. § 300aa-12(d)(4). Any redactions ordered by the special master will appear in the document posted on the website.

<sup>2</sup> The petition was originally filed by petitioner’s parents,

was substituted as petitioner upon reaching the age of majority.

Respondent denies that the vaccines either caused or significantly aggravated petitioner's alleged injury or any other injury, and denies that petitioner's current disabilities are the result of a vaccine-related injury.

Nevertheless, the parties agree to the joint stipulation, attached hereto. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Damages awarded in that stipulation include:

- a. **A lump sum payment of \$75,000.00 in the form of a check payable to petitioner; and**
- b. **A lump sum of \$5,640.57 in the form of a check payable to petitioner and his parents, for past unreimbursed expenses.**

**These amounts represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case \_\_\_\_\_ according to this decision and the attached stipulation.<sup>3</sup>
